I can feel you coming
From a mile away
My pulse starts racing
From the words that you say
And you say so many of them
That you don't have a clue
That I'm signed, sealed, delivered
With a stamp on

(Pre hook)
You don't have to try
Too hard
You already have my heart
You don't gotta thing to prove
I'm already in to you
So...

(Hook)
Hold, hold, hold, hold me tight now
Cause I'm so good to go
Don't say, don't say goodnight
You know
You had me at hello
You had me at hello
You had me at hello
Don't say, don't say goodnight
You know
You had me at hello

Close your mouth now
Baby don't say a word
Cause you ain't saying nothing
I ain't already heard
Plus all them words get
Buried when the
Beats so loud and
The speakers blowin' up this dance song

You don't have to try
Too hard
You already stole my heart

You don't got a thing to prove
I'm already in to you
So...

Hold, hold, hold, hold me tight now
Cause I'm so, so good to go
Don't say, don't say goodnight
You know
You had me at hello
You had me at hello
You had me at hello
Don't say, don't say goodnight
You know
You had me at hello

Oooooh Oooooh ooh ooh
Oooooh Oooooh ooh ooh
Oooooh Oooooh ooh ooh
Oooooh Oooooh ooh ooh
Oooooh Oooooh ooh ooh

So
Hold, hold, hold, hold me tight now
Cause I'm so, so good to go
Don't say don't say goodnight
You know
You had me at hello
You had me at hello
You had me at hello
Don't say goodnight you know
You had me at hello
