I'm holding on your rope  
Got me ten feet off the ground  
I'm hearing what you say  
But I just can't make a sound

You tell me that you need me  
Then you go and cut me down but wait  
You tell me that you're sorry  
Didn't think I'd turn around and say

That it's too late to apologize  
It's too late  
I said, it's too late to apologize  
It's too late

I take another chance  
Take a shot, take a fall for you  
I need you like a heart needs a beat  
But it's nothing new  
I loved you with the fire red  
Now it's turning blue and you said  
Sorry like the angel  
Heaven let me think was you but I'm afraid

That it's too late to apologize  
It's too late  
I said, it's too late to apologize  
It's too late

I said, it's too late to apologize  
It's too late  
It's too late to apologize  
It's too late

It's too late to apologize  
It's too late  
I said, it's too late to apologize  
It's too late

Holding on your rope  
Got me ten feet off the ground
