I aint been doin to right  
Since I met her last night  
Some kinda burnin' breakfast lost at work state of  
mind.  
We're meetin' here because  
She mentioned that she loves  
This kinda sushi, veggie, raw and edgy natural stuff.  
I'm feelin' out of place, but baby's on the way.

I'm just boots and a rusty Chevy  
My hands are sweatin' heavy  
Somethin' she got is makin' feel like this  
All I gotta do is play it cool  
And end the night with a kiss.  
Hey, hey. Baby's on the way.

Ain't gonna try those lines  
Been used so many times  
Like "When you fell from heaven, did it hurt and did  
you cry?"  
I'm just gonna wear this smile  
Sit back and talk a while.  
Pull a few questions from my "Get to know Her Better"  
file.  
Hey, it's a real good day, cause baby's on the way.

I'm just boots and a rusty Chevy  
My hands are sweatin' heavy  
Somethin' she got got me feelin' like this.  
All I gotta do is play it cool  
And end the night with a kiss.  
Hey, hey. Baby's on the way.

Just a simple case of can't wait  
Gonna be great to see her again  
Gonna be tough to hide what's inside  
And in my eyes when she walks in.

I'm just boots and a rusty Chevy  
My hands are sweatin' heavy  
Somethin' she got got me feelin' like this.

All I gotta do is play it cool  
And end the night with a kiss.  
Hey, hey. Baby's on the way.

Hey, yeah. My baby's on the way  
Baby's on the way
