### Verse 1

I'm gonna find a way to love again  
I'm on the winnin' stretch of a losin' end  
Foot on the gas, I'm freedom bound  
I've got the morning sun at my back, and I'm inspired  
Nothing can slow me down  
She used to get me.  
I was held back by her memory.

### Chorus

Let the highway sing  
A song of a new beginning, keep these wheels a  
spinnin'.  
Gonna hammer down  
While the distant sky is wakin', light behind me's  
breakin.  
I found a better way, in the form of a Chevrolet.

### Verse 2

A strange reminder of how I walked a step behind her  
Back here in the shadows of an 18-wheeler  
Where I'm headin I still don't know  
But I caught the wind of an AM station  
Blarin on my radio.  
I ain't lookin back.  
I never though I could say that. SoÂ...
