Got a little boom in my big truck  
Gonna open up the doors and turn it up  
Gonna stomp my boots in the Georgia mud,  
Gonna watch you make me fall in love

Get up on the hood of my daddy's tractor,  
up on the toolbox it don't matter  
down on the tailgate girl i can't wait  
to watch you do your thing

Shake it for the young bucks sittin' in the honky-tonks  
For the rednecks rockin' 'till the break of dawn  
for the d.j spinning that country song  
c'mon c'mon c'mon

Shake it for the birds  
shake it for the bees  
shake it for the catfish swimming down deep in the  
creek  
for the crickets  
and the critters  
and the squirrels  
shake it for the moon  
shake it for me girl

Country girl shake it for me  
girl shake it for me  
girl shake it for me

Country girl shake it for me  
girl shake it for me  
girl shake it for me

Somebody's sweet little farmer child  
she got it in her blood to get a little while  
pony tail and a pretty smile  
roped me in from a country mile  
so come on over here and get in my arms  
spin me around this big ol' barn  
tangle me up like grandma's yarn  
yeah yeah yeah

Shake it for the young bucks sittin' in the honky-tonks  
For the rednecks rockin' 'till the break of dawn  
for the d.j spinning that country song  
c'mon c'mon c'mon

Shake it for the birds  
shake it for the bees  
shake it for the catfish swimming down deep in the  
creek  
for the crickets  
and the critters  
and the squirrels

shake it for the moon  
shake it for me girl

Country girl shake it for me  
girl shake it for me  
girl shake it for me

Country girl shake it for me  
girl shake it for me  
girl shake it for me

Now dance like a dandelion  
In the wind, on the hill underneath the pines  
Yeah move like the river flow  
Feel the kick drum down deep in your toes

All I wanna do is get to holdin' you  
and get to knowin' you  
and get to showin' you  
and get to lovin' you 'fore the night is through  
Baby you know what to do!

Shake it for the young bucks sittin' in the honky-tonks  
For the rednecks rockin' 'till the break of dawn  
for the d.j spinning that country song  
c'mon c'mon c'mon

Shake it for the birds  
shake it for the bees  
shake it for the catfish swimming down deep in the  
creek  
for the crickets  
and the critters  
and the squirrels  
shake it for the moon  
shake it for me girl

Country girl shake it for me

girl shake it for me  
girl shake it for me

Country girl shake it for me  
girl shake it for me  
girl shake it for me

Country girl shake it for me  
girl shake it for me  
girl shake it for me

Country girl shake it for me  
girl shake it for me  
girl shake it for me
