Baby, what are we becoming?
It feels just like we're always running
Rolling through the motions every day

I could lean in to hold you
Or act like I don't even know you
Seems like you could care less either way

What happened to that girl I used to know?
I just want us back to the way we were before

Do I turn you on at all when I kiss you baby?
Does the sight of me wanting you drive you crazy?
Do I have your love? Am I'm still enough?
Tell me, don't I? Or tell me, do I, baby

Give you everything that that you ever wanted?
Would you rather just turn away and leave me lonely?
Do I just need to give up and get on with my life?
Baby, do I?

Remember when we didn't have nothing
But a perfect simple kind of loving?
Baby, those sure were the days

There was a time our love ran wild and free
But now I'm second guessing everything I see!
Do I turn you on at all when I kiss you baby?
Does the sight of me wanting you drive you crazy?
Do I have your love? Am I'm still enough?
Tell me, don't I? Or tell me, do I, baby

Give you everything that that you ever wanted?
Would you rather just turn away and leave me lonely?
Do I just need to give up and get on with my life?

Baby, do I still give you what you need?
Still take your breath away?
Light up the spark way down deep?
Baby, do I?!

Whoa! Do I turn you on at all when I kiss you baby?

Does the sight of me wanting you drive you crazy?
Do I have your love? Am I'm still enough?
Tell me, don't I? Or tell me, do I, baby

Give you everything that that you ever wanted?
Would you rather just turn away and leave me lonely?
Do I just need to give up and get on with my life?
Tell me baby, do I get one more try? Do I?
Baby, do I?
