The cotton wood fallin' like snow in July  
Sunset, riverside, four wheel drive and a tail light circle  
Roll down the windows, turn it on up  
Poor a little Crown in a Dixie cup  
Get the party, started

Girl you make my speakers go "BOOM BOOM"  
Dancin' on the tailgate in a full moon  
That kinda thing makes a man go mmmm mmmm  
You're lookin' so good in what's left of those blue jeans  
Drip of honey on the money maker gotta bee  
The best buzz I'm ever gonna find..  
I'm a little drunk on you, and high on summertime

Well if you ain't a ten, you're a 9.9  
Tippin' and spillin' that homemade wine on your tied-  
up, tshirt  
Every little kiss is drivin me wild, throwin little cherry  
bombs into my fire  
Good God al-mighty

Girl you make my speakers go "BOOM BOOM"  
Dancin' on the tailgate in a full moon  
That kinda thing makes a man go mmmm mmmm  
You're lookin' so good in what's left of those blue jeans  
Drip of honey on the money maker gotta bee  
The best buzz I'm ever gonna find..  
I'm a little drunk on you, and high on summertime

So, let's slip on out, where it's a little bit darker  
And when it gets a little bit hotter  
We'll take off on out in the water

Girl you make my speakers go "BOOM BOOM"  
Dancin' on the tailgate in a full moon  
That kinda thing makes a man go mmmm mmmm  
You're lookin' so good in what's left of those blue jeans  
Drip of honey on the money maker gotta bee  
The best buzz I'm ever gonna find..  
Hey, I'm a little drunk on you, and high on summertime  
Girl, I'm a little drunk on you
