All we do right is make love  
We both know now, that ain't enough

Ain't gonna beg you stay, ain't gotta ask you what's  
wrong  
Ain't no reason running after something already gone  
Take off your leavin' dress, let's do what we do best  
I guess everybody has there way of moving on  
Girl, rest your head, one more time in my bed  
Love me like you love when you loved and you didn't  
have to try  
Let's lay down tonight  
And kiss tomorrow goodbye

Baby, who we are, just didn't work  
But maybe we can leave with something out of all this  
hurt

Ain't gonna beg you stay, ain't gotta ask you what's  
wrong

Ain't no reason running after something already gone  
Take off your leavin' dress, let's do what we do best  
I guess everybody has there way of moving on  
Girl, rest your head, one more time in my bed  
Love me like you love when you loved and you didn't  
have to try  
Let's lay down tonight  
And kiss tomorrow goodbye

Ain't gonna beg you stay, ain't gotta ask you what's  
wrong  
Ain't no reason running after something already gone  
Take off your leavin' dress, let's do what we do best  
I guess everybody has there way of moving on  
Girl, rest your head, one more time in my bed  
Love me like you love when you loved and you didn't  
have to try  
Let's lay down tonight  
And kiss tomorrow goodbye  
Let's kiss tomorrow goodbye
