Ridin' down the road listenen' to the radio  
You leaned over and you turned it up  
You said "baby this is it,  
The one I wanted you to hear  
Don't it sound just like us?"

Up 'til then, all I'd ever listened to was  
A Little Sweet Home, Tuesday's Gone,  
And Workin' Man blues

This is my first love song  
First time I felt the words  
First time I sang along  
Whenever it comes on  
I just think of you and everything you do  
You're my one, my from now on..  
My first love song

Baby I'm not who I was  
You gave me your love and it woke me up  
And made me more aware of somethin deep inside  
Something that I have,  
A life I wanna share  
And I'll rememebr this as long as I live  
Every note, every word, every single kiss

This is my first love song  
First time I felt the words,  
First time I sang along  
Whenever it comes on,  
I just think of you and everything you do  
You're my one, my from now on..  
My first love song

\*Repeat chorus\*
