Jenny's in the driveway - layin' on the horn.  
Yellin' out the window "boy let's go!"  
Tuckin' in my t-shirt; runnin' out the door  
Sittin' in her secondhand Ford - she's beautiful  
Sippin' on her lemonade her momma made fresh  
Singin' along with the songs on the radio  
Shifts in the fifth gear - steals a kiss  
Says "Boy where you wanna go?"

(Chorus)

What do ya say we take the ride of our lives?  
Me and you. Don't think twice baby - what do we got to  
lose but time.  
Run 'til we run out of roads. No we don't need no map.  
Go until we go - Past comin' back.

The whole town don't give us half a chance.  
But it ain't been messin' on an ole' dirt road.  
With the moonlight shinin' on her cotton dress -  
hair all in a mess - She's beautiful.  
Lookin' at me with her big blue eyes.  
Drivin' me wild with her smile an' her pretty toes(?)  
Pulls me close - whispers in my ear "don't worry where  
we're gonna go"

What do ya say we take the ride of our lives?  
Me and you. Don't think twice baby - what do we got to  
lose but time.  
Run 'til we run out of roads. No we don't need no map.  
Go until we go - Past slowin' down.  
Turnin' around. Let's keep both feet on the gas.  
Let the wheels burn - takin' every turn with all we have.  
Gonna go 'til we go - past comin' back.

What do ya say we take the ride of our lives?  
Me and you. Don't think twice baby - what do we got to  
lose  
Run 'til we run out of roads. No we don't need no map.  
Go until we go. Go until we go.  
Past comin' back. Past comin' back. Past comin' back.  
Past comin' back.
