[Verse 1]

You got your sundress on for game day  
Just to drink beer on an old tailgate  
You were born and raised to be a southern belle  
But in a place like this you like to raise a little hell  
You got your year-round tan  
You're on the five year plan  
You shake your little pom poms up in the stands

[Chorus]

My my my little ADPi  
Kappa Delta  
Tri Delts you look so fine  
Ooo don't know what I'm gonna do around those  
Zeta's  
Theta's  
Chi O's  
And little Phi Mu's  
Hey Yea Hey Yea  
My my sorority girl  
My my sorority girl

[Verse 2]

You got that high school boyfriend you still think about  
You know how to make him jealous when he comes into town  
You drive your little love bug when you're skipping class  
And your sisters get you home when you're drunk off your ass  
You know how to be a lady  
Yea you're still your daddy's baby  
You drive the band and the boys and the bartenders crazy

[Chorus]

My my my little ADPi  
Kappa Delta  
Tri Delts you look so fine  
Ooo don't know what I'm gonna do around those  
Zeta's

Theta's  
Chi O's  
And little Phi Mu's  
Hey Yea Hey Yea  
My my sorority girl  
My my sorority girl

Ooo here you come again  
Walking my way  
And there I go again with  
Nothing to say  
My my my little ADPi  
Kappa Delta  
Tri Delts you look so fine  
Ooo don't know what I'm gonna do around those  
Zeta's  
Theta's  
Chi O's  
And little Phi Mu's  
Hey Yea Hey Yea  
My my sorority girl  
My my sorority girl  
Yea you rock this county boy's world  
My my sorority girl
