### Verse One:

No more castles in the sky  
No more building on rocks  
Do you hear the whispers flowing by?  
Almost feel like angels in the sky  
Talking about angels: last night  
I felt an angel by my side  
And when he spoke "I  
He told me I would be the one for you  
I knew that was the truth 'cause  
An angel never lies " angels never lie

### Pre-chorus:

Ah ha aha aha (aha ha)  
Ah ha aha aha " aha aha

### Chorus:

I'll fly away with you today  
I'll fly away with you today  
Take my hand lets be bold and find eternity 2x

### Verse Two:

The preacher came and we signed our love  
And they know we are meant to be (oh oh eah yeah)  
They say our eyes speaks a love so true  
And I see it too; oh I feel it strong (oh oh eah, yeah)  
I know I can trust this heart of mine  
I see true love in your eyes  
Thanks to you I know the true meaning of love

### Pre-chorus:

Ah ha aha aha (aha ha)  
Ah ha aha aha " aha aha

### Chorus:

I'll fly away with you today  
I'll fly away with you today

Take my hand lets be bold and find eternity (till fade)
