Verse One:

Why am I killing myself?
Some believe I got the lazy curse
Been declared worse you know
Even heard them say growing up's a pain
Guess they don't understand (2x)

Chorus:

I got music in my soul
I'm a slave to the bug
Can't escape this world of mine
Cause the radio will die 2x

Verse Two:

I'm a poet of society
Reality's got me chasing rhymes
Late night you'll see my lights on
I got my flow working over time
Guess they don't understand (2x)

Chorus:

I got music in my soul
I'm a slave to the bug
Can't escape this world of mine
Cause the radio will die 2x

Verse Three:

When I'm in the studio
I work all day, work all night
See time is not the essence
Only sometimes it's a bother
Cause my cash can't keep me flowing, working,
performing
No, no, no! no! no!

Chorus:

I got music in my soul
I'm a slave to the bug
Can't escape this world of mine
Cause the radio will die

(Chorus till fade)
