You play it cool, you play it just for me
Everything, Just falls into place
Everything, Just falls into place

So Summer kicked it into place
and from my car

So hear me on the phone

You play it cool, you play it just for me

Everything, just falls into place

This is all just for...

You're telling i'm looking left

and looking right for you to stand here,
by my side
it seemed as if though love had fallen into place
it was just, yours and mine

This.
This is goodbye.
At least for tonight.
