(Verse #1)

Mama said it rained all week
But it sure didn't help the heat
I can't wait feel the rain on my face
And wet grass under my feet
The county paved the road to our house
I guess they finally got tired of hearing Dad's mouth
Said it sure is nice riding to town

(Chorus)

And the Hogs lost to LSU
The score must have been 100-2
I wish I could've seen them lose that game
I miss lying awake all night long with you
Tossing and turning in that little apartment we call
home
Just a few things I'm missing back home

(Verse #2)

The price of gas is really getting high
And it's all that you can do to get by
It's nothing new, just the same old thing
Getting up, going to work everyday
Making sure the bills get paid
Counting the days until I get home

(Chorus)

And the Hogs lost to LSU
The score must have been 100-2
I wish I could've seen them lose that game
I miss lying awake all night long with you
Tossing and turning in that little apartment we call
home
Just a few things I'm missing back home

(Bridge)

Hey baby what's going on
I can't wait until I get home
There's so many things I wanna do
Trade this Humvee for my Chevrolet
Ride around those back roads all day
With you sitting right next to me

(Chorus)
And the Hogs lost to LSU
The score must have been 100-2
I wish I could've seen them lose that game
I miss lying awake all night long with you
Tossing and turning in that little apartment we call
home
Just a few things I'm missing back home
