

# Lullacry "Embrace Me"

Visit "[Embrace Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Give me your teardrops  
And say that you're mine  
See How wicked are the  
Restless ones in grace

It's our twisted love  
That turns me on

I never wanted to go  
Where the memories lie  
In the endless night

Yeeeah!

I Shall put my arms  
Around this fear

Don't be afraid now  
'Cos all the things we have  
Are stronger than lifes path

I never wanted to go  
Where the memories lie

It's still better to be alive  
Than to be dead in heaven  
Your touch is so bitter sweet  
I want you to embrace me

Ohoho yeah, embrace me...

(Bridge)

I never wanted to go  
Where the memories lie

It's still better to be alive  
Than to be dead in heaven  
Your touch is so bitter sweet  
I want you to,  
You to embrace me
