With The Dixie Flyers

Bum bum, bum bum bum bum bum bum
Bum bum, bum bum bum bum bum bum
Bum bum, bum bum bum bum bum bum

People gather around
And hear this brand new sound
I know you're gonna dig it
'Cause you're hip and you're?, yeah

Well I know I'm gonna cry
'Cause it's feelin' deep inside
And you can't turn away
That you feel to another human being, yeah

[CHORUS]

Come on and hum a song from your heart
You gotta just hum a song from your heart
Hear your heart go

Bum bum, bum bum bum bum bum bum

Well if you're feelin' low
You'll forget it 'cause I know
Everyone can do it, if you try
It's been done before

And if you'll hum a song
From your heart, it won't be wrong
And you'll walk away leavin' all your troubles
When you close your door, yeah

[Repeat CHORUS]

Hum a song from your heart
You gotta just hum a song from your heart
Come on and hum a song from your heart
Everybody hum a song from your heart
Yeah, yeah
Come on now, hum a song from your heart

Come on everybody
Yeah, yeah
