Walk me out in the mornin' dew, my honey  
Walk me out in the mornin' dew today  
Can't walk you out in the mornin' dew, my honey  
Can't walk you out in the mornin' dew at all

Thought I heard a young man cryin', oh baby  
Thought I heard a young man cryin' today  
You didn't hear no young man cryin', baby  
You didn't hear no young man cryin' at all

Thought I heard a young man cryin', oh baby  
Thought I heard a young man cryin' today  
You didn't hear no young man cryin', baby  
You didn't hear no young man cryin' at all

Now there's no more mornin' dew  
Now there's no more mornin' dew  
What they were sayin' all these years was true  
Now there's no more mornin' dew

Thought I heard a young man cryin', baby  
Thought I heard a young man cryin' today  
You didn't hear no young man cryin', baby  
You didn't hear no young man cryin' at all

Now there's no, no, no, no, no mornin' dew...
