Look into these eyes  
See 'em painted  
With regret

The acrobat of life, oooh  
I let the days roll on and on

Today, Yesterday  
Tomorrow it's the same  
I welcome the season  
The Autumn of my life

Look at these hands  
See 'em covered  
With guilt

The acrobat of life, oooh  
I let the days roll on and on

Today, Yesterday  
Tomorrow it's the same  
I welcome the season  
The Autumn of my life  
Today, Yesterday  
Tomorrow it's the same  
I welcome the season  
The Autumn of my life  
Autumn of my life, Oooooaooaoh

Today, Yesterday  
Tomorrow it's the same  
I welcome the season  
The Autumn of my life [x3]
