Lulu

Don't be surprised by the way that I am  
By the way that I feel and I act  
There's too many rules, I really can't choose  
I can't let those chains hold me back  
I've never known what it's like on my own  
But I'm takin' a chance anyway  
It may not be right like some moves in the night  
But I've got to do it my way  
I want my independence  
I want my freedom right now  
I want my independence (independence)  
I want my freedom right now  
So what you're sayin' don't matter to me  
I'm makin' my plans all alone  
But I've got the right to express my emotions  
Have some space of my own  
Don't be confused, please don't misunderstand  
I can't respect your wishes more  
This time I must say I want it my way  
I'm walkin' out the door  
I want my independence (independence) ooh  
I want my freedom (freedom) right now

I want my independence (independence)  
I want my freedom, my freedom now  
This time I walk away (this time)  
This time I'm on my own  
This time I walk away (this time)  
This time I'm on my own  
Don't be confused, please don't misunderstand  
I can't respect your wishes more  
And this time I must say I want it my way  
I'm walkin' through the door  
I want my independence (independence)  
I want my freedom (freedom) right now yeah  
I want my independence (independence)  
I want my freedom (freedom), my freedom now  
This time I walk away yeah (freedom)  
This time I'm on my own (independence)  
This time I walk away (freedom)  
This time I'm on my own (independence)

Baby, I want my freedom yeah yeah  
I want my independence  
I want my freedom, my freedom, my
