Those schoolgirl days of telling tales  
And biting nails are gone  
But in my mind I know  
They still will live on and on

But how do you thank someone  
Who has taken you from crayons to perfume?  
It isn't easy, but I'll try

If you wanted the sky  
I would write across the sky in letters  
That would soar a thousand feet high  
To Sir, with love

The time has come for closing books  
And long last looks must end  
And as I leave I know  
That I am leaving my best friend

A friend who taught me right from wrong  
And weak from strong  
That's a lot to learn, what  
What can I give you in return?

If you wanted the moon  
I would try to make a start  
But I, would rather you let me give my heart  
To Sir, with love

If you wanted the moon  
I would try to make a start  
But I, would rather you let me give my heart  
To Sir, with love
