Every time our eyes meet  
This feeling inside me  
Is so much more than I can take  
Baby when you touch me  
I can feel how much you love me  
And it just blows me away  
I've never been this close  
To anyone, or anything  
I can hear your thoughts  
I can see your dreams

I don't know how you do what you do  
I'm so in love with you  
It just keeps getting better  
I want to spend the rest of my life  
With you by my side, forever and ever  
Every little thing that you do  
Baby I'm amazed by you  
(every little thing that you do, baby i'm amazed by you)

From the day we first met (oh my god)  
I knew you were heaven sent  
You my love I can't forget  
You will love until the end  
From the way you hold me  
Your body controls me  
Every little thing you do  
Baby I'm amazed by you

I don't know how you do what you do  
I'm so in love with you  
It just keeps getting better

I want to spend the rest of my life  
With you by my side, forever and ever  
Every little thing that you do  
Baby I'm amazed by you

The smell of your skin  
The taste of your kiss  
Ehen you whisper in the dark  
The air all around me

Baby it surrounds me  
Touch every place in my heart  
Oh and it feels like the first time, everytime  
I want to spend my whole life  
Looking in your eyes

I don't know how you do what you do  
I'm so in love with you  
It just keeps getting better  
I want to spend the rest of my life  
With you by my side, forever and ever  
Every little thing that you do  
Baby I'm amazed by you

Every little thing that you do  
Baby I'm amazed by you
