(chorus)

I just wanna be free
Free from all the bullshit you're puttin on me
Free from all the pain , insanity.
Each time there some bullshit , won't ya get free
Each time there some bullshit ...
Yo, Im sick of this
Im through with it
Aint takin it no more
I say this while I'm cryin
& Im sittin on the floor
& this is stupid
why im going thru this ?
i been over you & never
even knew it .
Busy with the fightin
who's listenin we screamin
So worry about you & never
what im feelin.
decieving , misleading ..
for no damn reason ,
wont you be true & you can be free ...

(chorus)

I just wanna be free
Free from all the bullshit you're puttin on me
Free from all the pain , insanity.
Each time there some bullshit , won't ya get free
Each time there some bullshit ...
nah this aint no rihanna song
i aint tryna take your life
but keep up with the bullshit
i say this without thinking twice
seen a lot of highs but way too many lows
in it for a lifetime?
i'd have to say no
& i was giving you a hunnit (100%)
you aint care about a thing now
you dont wanna leave
you know where you wanna be
had enough doing you
now its time to do me
but , i just wanna , i just wanna , i just wanna be ...

(chorus)
I just wanna be free
Free from all the bullshit you're puttin on me
Free from all the pain , insanity.
Each time there some bullshit , won't ya get free
Each time there some bullshit ...
I just think it'd be much better
if you let go , you could do whatever
I'm facin off (4x)
I just think it'd be much better
if you let go , you could do whatever
I'm facin off (4x)
(chorus)
I just wanna be free
Free from all the bullshit you're puttin on me
Free from all the pain , insanity.
Each time there some bullshit , won't ya get free
Each time there some bullshit ...
