Come on and dance! (ohh, ohh, ohh)

I wanna feel the heat with somebody (everybody now

With somebody who loves me (hands up, hands up!)
(dance!)
Ohh I wanna dance with somebody (come on and

I wanna feel the heat with somebody (let's go, let's
go) (dance!)
Yeah I wanna dance with somebody (come on and

With somebody who loves me (Fatman Scoop let it
drop,

Yo, yo, yo, yo, listen
Excuse me as I'm comin' through
Please call 'em chick wantin' always go with you
Huh, and I really need to know your name
Just wanna dance, wanna go insane
Wild out the night, ain't no one to blame
Come back tomorrow and straight do the same
But you're the hottest thing here tonight
Heatin' up the spot and you know that's right
Got me in the zone home movement tight
Tear up the club 'till the mornin' light like...dance!

Chorus:

Ohh I wanna dance with somebody (come on and
dance!)
I wanna feel the heat with somebody (everybody now

dance!) (dance!)
Yeah I wanna dance with somebody (come on and
dance!)
With somebody who loves me (hands up, hands up!)
(dance!)
Ohh I wanna dance with somebody (come on and
dance!)
I wanna feel the heat with somebody (let's go, let's
go) (dance!)
Yeah I wanna dance with somebody (come on and
dance!)
With somebody who loves me (Fatman Scoop let it
drop,
let's go now!)

The night is flowin', got me goin'
I'm the main attraction growin'
Gotta feel it all in your system
When you hear the drums and the banger rhythm
As you gonna miss me, you won't forget me
Straight rock the spot like you just let me
Huh, I'm a little too much myself
Still into dancing, scream it loud y'all

Dance! (ohh, ohh, ohh)
Come on and dance! (ohh, ohh, ohh)
Come on and dance!

[Chorus]

Stand up! (hey!) Hands up! (hey!) Stand up! (hey!)
Hands up! (what?)
Stand up! (hey!) Hands up! (hey!) Stand up! (hey!)
Hands up! (what?)
Ladies! (hey!) Fellas! (hey!) Ladies! (hey!) Fellas!
Ladies! (hey!) Fellas! (hey!) Ladies! (hey!) Fellas!
(hey!)

Okay, okay, let's go
Dance!

Chorus:
Ohh I wanna dance with somebody (come on and
dance!)
I wanna feel the heat with somebody (dance!)
Yeah I wanna dance with somebody (come on and
dance!)
With somebody who loves me (Fatman Scoop,
Lumidee,
let's go now!) (dance!)
Ohh I wanna dance with somebody (come on and

dance!)
I wanna feel the heat with somebody (everybody now
dance!) (dance!)
Yeah I wanna dance with somebody (come on and
dance!)
With somebody who loves me...
