Lumidee an mr. lover again
no girls no, ana hol ya tyt,
straight till tha morning light
sweetness to your delight
the only man to do ya right
yano im here to make ya night
take things to higher height
no need to stress baby, look blow out the candlelight
me yano i love the chase, rude boy upon ya case
up an leave tha mamy with tha body an tha pretty face
the lumidee n mr lover again
the lumidee n mr lover again

Sittin in the park watching winter turn to spring
(well everytin feel so nice, gurl me wa ya2no yano ya
spice up mi life)
Walking in the park watching lovers' do their thing
(i feel the same way, hot like a yoyo runnin down from
ya face) this time i feel like makin love with you
this time i feel like makin dreams come true
when ya talk to me speaking in your sexy tone
(jus tha tone of mi voice,why ya bin so difficult,am the
only choice)

when ya holdin me i dont want ya to let go
(yano ya feel mi heart rate, poundin n poundin straight
up an agot the shakes)
this time i feel like makin love with you
this time i feel like makin dreams come true

so here wi go pretty baby, gimme ya love,love,love
all night till tha mornin sweet love,love,love
when ya catch me in tha tub a rub,dub,dub
inseprable,addictive like a drug,drug,drug
ya want me life ina giv ya n mi heart and mi soul
love till eternally, mi ultimate goal
cha,forever ina ma life to have n to hold
no together you n me can make some late night stroll

this time i feel like makin love with you
this time i feel like makin dreams come true
