Snoop-spoken:

Lemme get this money together real quick

Like wata do

Big shnoop D.O.double G

With tha home girl lumidee

An we in it 4 tha money, in it 4 tha money

Hey cheese

I wake up every morning gotta get it cause

Am addicted to money cuz see moneys like a drug

Its the root of all evil my people tell me what it does

If u stick 2 it,get 2 it,do it now, live it up

Been in tha hood since joh stopped me

Talkin bout what they heard how they got me

Man listen, look i came in the game

With the same dudes now throwin dirt on my name

But it aint nottin to a girl like me

Love me or hate me ima still do me

N av bin through tha ups n tha downs

N no matter what they say, look, the girls still around

Am only init for the money

This whole industry is funny

They got me turning off the radio

Don't watch no videos

I can't get widit noo

Am only init for the money

This whole industry is funny

They got me turning off the radio

Don't watch no videos

I can't get widit noo

Don't get it twisted n don't even try to knock me

Coz i aint one to ever be cocky

Man listen, look i came in the game

Broke n naive but alota that shit changed

Yes ive learned how to play it out to show n prove

N if u aint makin money u aint makin moves

Yes av bin through the ups n the downs

Wait ya gettin phased coz im goin all rounds

Am only in it for the money
This whole industry is funny
They got me turning off the radio

Don't watch no videos
I can't get with it noo
Am only in it for the money
This whole industry is funny
They got me turning off the radio
Don't watch no videos
I can't get with it noo

Up to the ceiling, am feelin like a million away from two billion,
N i aint stopped dealin, but am still in the game, still hearin ma name,
Half a million dollar car, quarter million dollar chain
Money,.....,money changes ya life
From a butter to a steak knife
Used to take life for granted, now am known as one of the richest rappers in the whole motherfu**in planet
Ya dig it, am in it for the money
I make it rain, i let it snow that 20 plus 7 more zero's
Add it up, ya livin rong better get right, stop being broke an get ya money tight

Am only in it for the money
This whole industry is funny
They got me turning off the radio
Don't watch no videos
I can't get with it noo

For the money im in it for the money
Aint no joke i no ure tired bein broke
Its for the money it's only for the money
Never see me smilin any things damn funny
Its for the money it's only for the money
He wants the fame n she wants the honey
Its for the money it's only for the money
Me n lumidee shit we in it for the money

Am only in it for the money
This whole industry is funny
They got me turning off the radio
Don't watch no videos
I can't get with it noo
Am only in it for the money
This whole industry is funny
They got me turning off the radio
Don't watch no videos
I can't get with it noo

The question remains
