Hey man i just saved u about a million questions ma  
U know, so many things to do with so lil time, thats  
what we say  
Cancel the shows to get the album delivered on time  
How crazy is that?  
I mean, i know it,  
I know you had to drive,  
but this is what you wanted though,  
to work, to be the best  
To be apart of a family with mic a dream  
and a real tight team  
I know that line  
This is all u have ma what better job to have than the  
one,  
that you love and that lil sis is a blessin
