Never ever wanna let you go

Tell me what you're feeling, cause I want to know

If you're around

you know I'm down

I'll be that girl keeps you around

I'm only here, just because
It feels good, saying us
keep you right
Believe in love

I never thought you'd be the one
make me shine brighter than the sun
There ain't no ups and downs
No when and nows
your here right now

[Chorus]
If you want me to stay, I'll never leave
If you want me to stay, we'll always be
If you want me to stay, love endlessly
If you want me to stay, if you want me to stay
I'll never leave you
Uh oh, Uh oh, Uh oh, Uh oh

[Fabolous]
Fabolous
Lumidee
I ain't never gon' believe
you ever gonna leave
It feels so good on my arm
Somethin like the baseball jacket with a leather on the
sleeve

Or a flooded time peice that cost several hundred g's
You lovin', hate the type that love everyone to recieves
Baby girl, go down like she never wanna breathe (uh
oh)
I got a playa right, cause this kid don't usually let them
stay tonight

And when I know you wrong, I say you right
And when I wanna say no, I say I might
this it is real talk, you know it ain't another
And anytime I'm gone, you know I'm thinkin of ya
And anytime you need, you know I got you covered

You know none of the others do what I does
I keep your rocks bluer than hers
Keep your shoes newer than hers
And I do it because, uh

[Chorus]
