FABOLOUS

Fabulous!

Lumidee!

I ain't neva gon' believe, you eva gonna leave

You feel so good on my arm

Uh huh

Sumthin like dem baseball jackets

With the leather on the sleeve

Or a feather timepiece cost secen hundred G's

Your lovin ain't the type o love that everyone receive

Babygirl go down like she never wanna breathe

I gotta play it right, cause dem chicks don't usually let
em stay the night

Cause when I know you wrong, I say you right

And I when I wanna say no, I say I might

The is real talk, you know it ain't another

And anytime I'm gone, you know I'm thinkin of yah

And anytime you need, you know I got you covered

You know none of the others

Do what I does

I keep your rocks bluer than hers

Keep your shoes newer than hers

And I do it because

Uh uh uh (echo)
