Tony Sunshine

[Lumidee]

Listen baby Iâ've been around
I know that you like how I wear my crown
And I know that im something that is so profound
So far what im hearing look I like the sound
Everybodys talkin about it
We could be talkin why would u doubt it
Your plams are sweaty and your heart sounds poundin
This is what u feeling tell me about it

[Tony Sunshine]

Shes like the wind
Thru my tree
(baby yea baby yea)
Shes rides all night
Next to me
Like u wonâ't believe (No)
She leaves me the moonlight
Only to burn me wit the sun
Damn it I believe she knows
She takin my heart
She doesnâ't know what shes done
Baby please

I feel her breath in my face (baby I can feel)
Her bodys close to me (her body close to me)
Canâ't look in her eyes (canâ't look in your eyes)
Shes outta my league (shes outta my league oh)
Just a fool to believe
Shes got everything I need
Shes like the wind

[Lumidee]

If u cant conceive it muffin
Cause u just let it be its nothing
Look we just hangin around

Sneakin a look
When I can just put you down

[Tony Sunshine]

Girl I look in the mirror (what u see what u see)
And all I see (tell me what u see girl, tell u I can feel this
baby)
Is a young old man with only a dream (ooo oh oh)
Am I just fooling myself (yea)
Thinkin she'll stop the pain (yes she will yes she will)

Living without her
I'd go insane
Damn it I believe she knows

Feel her breath on my face (baby I can feel)
Her body close to me (her body close, yes I do)
Can't look in her eyes (cant look in her eyes)
She's outta of my league (shes outta my league oh)
Just a fool to believe
She got everything I need
She's like the wind

[Lumidee]

Look IÂ'm right here
Come on toughin up
Boo get it together and just try ur luck
Ever since I herad u got this little crush i
Pass ur way and its givin me a rush
So I peeped ur style
Yes IÂ'm impressed
Always wit the best
Put dem other dudes to rest
So u aint got to stress cuz I got what u need
I could ease ur pain and fulfill all ur dreams

Just a fool to believe
She got anything I need (take dat)

I feel her breath in my face
Her body close to me (clap yo hands)
CanÂ't look in her eyes, no (yea)
SheÂ's outta my league (move)
Just a fool to believe (Move)
She got anything I need
SheÂ's like the wind
