Always love to get with you ever

Need any, mama holla

How you check me, and give me the oochie walla walla

Swallow a couple shots of the Yak and make a dolla

Lil' mama in the crib with a focus to be a scholar

Type of example other shorties need to folla

Got a chick in the bug, it come with a little shoppahora

Take you to the Caribbean down the Carabana

Sail the Mediterranean and enjoy the water

When the road is Rocky, you keepin' me stocky

Takin' care of this nigga, super Mike

When you check on your Papi

We all right baby, hug me with all your might

And put it on a nigga, cause you know that it's on

Break up to make up, and you know we gonna fight

And if we ridin together, Lets do it then

Sure your right!!!

[Lumidee]

Never ever wanna let you go

Tell me what you're feeling, cause I want to know

If you're around, you know I'm down

I'll be that girl that keeps you around

I'm only here, just because

It feels good, say enough to keep you right  
Believe your love  
I never thought you'd be the one that make me shine  
Brighter than the sun  
There ain't no ups and downs  
No winning out, you're here right now

[Chorus]

If you want me to stay, I'll never leave  
If you want me to stay, we'll always be  
If you want me to stay, love endlessly  
If you want me to stay, if you want me to stay  
I'll never leave you

Uh Uh Uhoh, Uh Uh Uhoh, Uh Uh Uhoh, Uh Uh Uhoh

[Fabolous]

Fabulous (uh), Lumidee  
I ain't never gon' believe  
You ever gonna leave  
It feels so good on my arm  
Somethin like the baseball jacket with a leather on  
The sleeve  
A flooded time piece that cost several hundred g's  
Your lovin', ain't the type of love that everyone recieve  
Baby girl, go down like she never wanna breathe  
,whooh!(uh oh)  
I gotta paly it right, cause this kid don't usually let them  
stay tonight  
And when I know you wrong, I say it right  
And when I wanna say no, I say I might  
This is real talk, you know it ain't another  
And anytime I'm gone, you know I'm thinkin of you  
And anytime you need, you know I got you covered  
You know none of the others do what I does  
I keep your rocks bluer than hers  
Keep your shoes newer than hers  
And I do it because, uh

[Chorus]
