Honestly

I feel a conection between you and me
Feeling like I wanna give my everything
Want you more than I, this more than anything
No need to convince me
Why taking time?
Trynna let me know that you can blow my mind
Baby just relax you seek and you will find
Baby I won't let no need for pretty lie
So won't you come get me?

Let's go go baby
Got me going crazy
Cuz I want you soo tonight
Let's go go baby
Got me going crazy
I ain't put enough for fight

Pumping, you hear the music pumping
And everybody is jumping
You hear the music pumping
He got my body pumping

He got my body my body my body
Look what you doing to me
