How I miss that Old Fashioned Christmas!  
Carols being sung by the tree,  
Window's candlelight shining bright for the whole world  
to see  
Children's eyes of sweet expectations

Wondering what each present will hold  
Lying in their beds and impatient  
On long Christmas Eves of old  
It used to be that all the family would gather for this  
one night  
It used to be that special feeling shared together  
knowing Christmas was here one night a year

How I miss that Old Fashioned Christmas!  
Memories that last through the years  
Call me sentimental
