Do you believe in fairy tales?  
I don't know  
But I do believe in Christmas

Walking through a winter dreamland  
Sleighbells ringing and my friends by my side  
I know we're having fun together  
Out on a Christmas ride

The snow is falling all around me  
The reindeer is singing our favourite song  
And Santa's coming to our party  
Dancing all night long

'Cos I believe in Christmas  
I believe in dreams come true  
When it's cold outside  
I close my eyes  
And it's magic through and through  
I believe in Christmas  
I believe in Santa's gifts  
All the bells will ring  
The angels sing  
And Christmas time is here  
For you and for me

The stars are shining oh so brightly  
The snowman's hopping and bopping with me  
Lots of joy for everybody  
Under the Christmas tree  
Everyone is so excited  
You know it's just how I want it to be  
I'm hoping that all my wishful thinking  
Will be reality

'Cos I believe in Christmas  
I believe in dreams come true  
When it's cold outside  
I close my eyes  
And it's magic through and through  
I believe in Christmas

I believe in Santa's gifts  
All the bells will ring  
The angels sing  
And Christmas time is here  
For you and for me

For real  
I can't wait 'cos Santa is coming to town  
Oh yeah, yeah  
He's gonna make your Christmas dreams come true

'Cos I believe in Christmas  
I believe in dreams come true  
When it's cold outside  
I close my eyes  
And it's magic through and through  
I believe in Christmas  
I believe in Santa's gifts  
All the bells will ring  
The angels sing  
And Christmas time is here  
For you
