

Christmas Carols

"On Christmas Morning"

Old december's
Here at last
Time
For celebration
Christmas present
Christmas past
Tumble down
Together
Like the snow
What a show

Now the snowman
Someone made
Is melting
By the road side
On the wind
A serenade
Children's voices
Singing I believe
I believe in us
I believe

Chorus:
On Christmas morning
You awaken
With a smile
You hold me
In your arms
We watch
The snowflakes fly
And then you love me
And I realize
How sweet love can be
All the memories
Coming back again
Each year
On Christmas morning

Sentimental melodies
Surround me
Like an old friend

She spent the winter
Here with me
Silently we watched
The season change
And they change
So fast
And fade away
