Hams and yams and cookies and candy, chimes of joy  
and candles aglow  
Hymns and carols - choirs are forming everywhere that  
you go  
Pere Noel, Pere Noel - Angels for every boy and girl  
Nobody cries or tells any lies  
The night that children rule the world  
When the children rule the world  
Tonight! When the children rule the world

Doves and kings and shepherds and wisemen came  
together followed the star  
They all gathered down in the manger, they came from  
so very far  
Midnight is clear, the spirits are here, angels that  
guard each boy and girl  
No hunger or thirst, the last will be first  
The night that children rule the world  
When the children rule the world  
Tonight! When the children rule the world

All the greatest wishes are granted, let us sing, let  
innocence reign  
All the prayers are finally answered, blessed and free  
of all pain  
Towers of fire rise ever higher, magical flags will be  
unfurled  
The power of song, the young are the strong  
The night that children rule the world  
When the children rule the world  
Tonight! When the children rule the world  
Pere Noel, Pere Noel - Angels for every boy and girl  
The demons are gone, the young are the strong  
The night that children rule the world  
When the children rule the world  
Tonight! When the children rule the world

Pere Noel, Pere Noel - Angels for every boy and girl  
The demons are gone, the young are the so strong (the  
night when the children) Rule the world  
When the children rule the world

Tonight! When the children rule the world  
When the children rule the world  
Tonight! When the children rule the world

(when the children) Oh  
(when the children)  
(when the children) They rule the world  
(when the children) Ooh, yeah  
(when the children) When the children rule the world  
(when the children) When the children rule the world  
(when the children) When the children rule the world  
(when the children)  
(when the children)...
