Yeah, yo, Tony Sunshine, aha

Listen, baby, I've been around
I know that you like how I wear my crown
I know that I'm something that is so profound
So far what I'm hearing, look, I like the sound

Everybody's talkin' about it
We could be talkin', why would you doubt it?
Your palms are sweaty and your heart starts poundin'
This is what you feeling, tell me about it

She's like the wind, through my tree, baby, yeah, baby,
yeah
She's rides all night, next to me like you won't believe,
no
She leaves me the moonlight, only to burn me with the
sun
Damn it, I believe she knows
She's takin' my heart, she doesn't know what she's
done, baby, please

I feel her breath in my face, her body close to me
Can't look in her eyes, she's out of my league
Just a fool to believe she got everything I need
She's like the wind

Girl, I look in the mirror and all I see
Is a young old man with only a dream, oh
Am I just fooling myself, yeah, thinkin' she'll stop the
pain?
Living without her I'd go insane
Damn it, I believe she knows

Feel her breath on my face, her body close to me
Can't look in her eyes, she's out of my league
Just a fool to believe she got everything I need
She's like the wind

Look, I'm right here, come on toughin' up
Boo, get it together and just try your luck
Ever since I heard that you got this little crush

I pass your way and it's givin' me a rush

So I peeped your style, yes, I'm impressed
Always with the best, put them other dudes to rest
So you ain't got to stress 'cause I got what you need
I could ease your pain and fulfill all your dreams

Just a fool to believe she got anything I need, take that

I feel her breath in my face, her body close to me
Can't look in her eyes, no, she's out of my league
Just a fool to believe she got anything I need
She's like the wind
