Irmão I won't disappear
Irmão When you're waking up
All your senses, all your feelings
Irmão - I am not your god
Irmão - Come take my arm
Irmão When you're closing up
To the real world, away from dreams
Irmão - I am not your god

You aren't an icon of past
You aren't an opaque flash forward
You are the fragments of looking glass
Broken, but reflective

We have yet time
To rend our garments
To look out the window
Did destiny change its mind
To empty the eyes of despair
Overabundance
We have yet enough time

And I am not your god
But weak and imperfect
Although I can be your humble monastery
Where you may deposit
Doubts, anger or reveries

Don't recede towards an abstract space
Before the time prescribed
Before this compulsory separation
I can show you the charm of ordinary day
Elementary colors
Leave your dreams of solitude
Fake misanthropic reality
Let's enjoy the true presence
I'm a sacred vase with divine breath
