The end of time  
Will find the sleep at night  
Dreaming he's awake  
Waiting to create  
Disorder, insomnia,  
Haunting like a raven and then  
You'll lament what you had.

Would you believe in the hope of the fallen?  
The whispered ones will forget once they drowned

Disorder, insomnia,  
Haunting like a raven and then  
You'll lament what you had.

When the blind man who guides me sees again  
And the footsteps behind me fades away  
The goddess of fortune will scream out my name.

Would you forgive once the sorrow  
Has carved so deep in your soul  
To dry out your tears?

Disorder, insomnia,  
Haunting like a raven and then  
You'll lament what you had.

Heal my wound,  
Find me the cure,  
The Time erases every thought you had.

You don't know what I've feel  
Never lying down to sleep  
Yearning the black abyss

My past is dying, I'm dying with him,  
Sleepless I will pay my sins.

You don't know what I need  
The dawn of souls, inside of me  
Waiting silently

Trapped inside my scarred skin  
No river will ever quench my thirst

Insomnia  
Mixture of anguish, pleasure and pain  
My heartbeat lose time, my blood runs back in my veins  
Every second I'm closer to my final rest

Heal my wound,  
Find me the cure,  
The Time erases what you left behind.

You don't know what I've feel  
Never dreaming when I'm asleep  
Yearning the black abyss

My past is dying, I'm dying with him,  
Sleepless I will pay my sins.

You don't know what I need  
The grab your souls, inside of me  
Waiting silently

Trapped inside my scarred skin  
No river will ever quench my thirst
