(Paul Brandt)

Christmas time again  
The perfect end, to a not-so-perfect year  
At last it's here  
Hustle bustle to and fro  
From store to store, to get one more  
Of whatever is in style this year

On the marquis sign at 5 and 9  
The latest movie shows, and it starts to snow  
Children look into the sky  
To see if reindeer really fly  
Who knows  
But when it comes down to this season  
Above it all there's still a reason  
To just look up

A star is born tonight  
Come to make things right Angels singing, anthems  
ringing  
Glory to the King  
A star is born tonite

Silent holy night, heaven's sacred light  
Shines all around  
And joy resounds  
In manger hay the baby Jesus came to seek  
And save the lost  
Until they're found  
Peace on earth a new beginning  
He's the gift that keeps on giving  
To all of us

A star is born tonight  
Come to make things right Angels singing, anthems  
ringing  
Glory to the King  
A star is born tonite  
Glory hallelujah, glory to the King of Kings  
Merry Christmas to you all the joy the season brings

Angels singing, anthems ringing  
Glory to the King  
A star is born tonight
