(Alan Jackson)

They came from near, they came from far  
Following a distance star to where He lay  
Not being sure of what it mean, but  
Knowing it was their way

And the creatures gathered 'round  
And didn't make a sound  
And the angels cried

The angels knew what was to come  
The reason God had sent His son  
From up above  
It filled their hearts with joy to see and  
Knowing of His destiny  
Came tears of love  
I've often thought about that night  
And wondered if they realized  
That star so bright  
Was sent to tell all the land  
The Son of God would soon become  
The Son of Man

And the creatures gathered 'round  
And didn't make a sound  
And the angels cried

And the Angel Cried  
And the Angel Cried
