Talk:

Dear Santa Claus
I sure thank you for all the gifts
And after I thought it over Santa
I decided to write
And thank you for all the toys
And especially the bike
My little brother John
And my sister Sue
And mom and dad
Said to tell you thank you too
Oh yeah Santa there's something else I want to say
Please don't get mad at me 'cuz I gave my toys away
You know my friend Jerry
Who lives across the railroad track?
He doesn't even have a mom or dad
Just a little brother Jack
I went to see them
I went over there to see them today
And Santa I never seen such broken hearted boys 'til I
saw them that way
Jerry cried and he said he didn't understand
You musta didn't have enough toys to go around
You musta just run out of toys
On his side of town
I divided all my toys
Except for the bike
And I told him that you made a mistake
And you left them at my house last night
I told him you thought that they spent the night with me
And you left a note that their toys were under my
Christmas tree
Now Santa I know it's wrong to tell a lie
But you know that they're my best friends
And I just couldn't stand to see 'em cry
I asked my mom and asked my dad
And they said whatever I wanted to do
They said you'd forgive me
And they'd pray for God to forgive me too
When you come back again Santa
When you come back next time
And you see that you're running short

Put my name on the bottom line
And I know that this is a big ole world Santa
And someone is always gonna be blue
I just want you to know I still love you
And Jerry and Jack love you too
I felt awfully bad when I started this letter
But since I finished I feel a whole lot better
A whole lot better
I love you Santa
Good night
Merry Christmas

Sing: Sleep in Heavenly peace
