i've seen her face  
in those scented magazines  
all is forgivin'  
i love her still  
and we're home, home  
goin' home  
the chrysler building  
was talkin' to the empire state  
the twin towers  
were talkin' to each other  
sayin' all is forgivin'  
i love you still  
and we're home, home

goin' home  
what she saw in him  
nobody knew  
it's a mystery  
what she saw in him  
nobody could tell  
now it's history  
all is forgivin'  
i love her still  
and we're home, home  
goin' home  
and we're home, home  
goin' home  
and we're home, home  
goin' home
