It's true
You're lazy
You're tired
And crazy
And you know there's something more
But you can't give it a name
Someone's selling all your heroes
And they seem so tame
You heard it all before
And said your case was tragic
You heard it all before
And now they say it's magic
You need
Time off
For good
Behavior
And you know there's something else
But you can't give a name
Someone's selling all your heroes
And it seems such a shame
You heard it all before
You said your case was tragic
You heard it all before
And now they say it's magic
You heard it all before
They said your case was tragic
You heard it all before
And now they say it's magic
