Lost in a dream  
I don't know which way to go  
If you are all that you seem  
Then baby, I'm movin' way too slow

I've been fooled before  
Wouldn't like to get my love  
Caught in the slammin' door  
How about some information, please?

Straight up, now tell me  
Do you really wanna love me forever  
Or am I caught in a hit and run?

Straight up, now tell me  
Is it gonna be you and me together  
Or are you just havin' fun?

Time is standing still  
Waiting for some small clue  
I keep getting chills  
When I think your love is true

I've been fooled before  
Wouldn't like to get my love  
Caught in the slammin' door  
How about some information, please?

Straight up, now tell me  
Do you really wanna love me forever  
Or am I caught in a hit and run?

Straight up, now tell me  
Is it gonna be me and you together  
Are you only havin' fun?

You are so hard to read  
You play hide and seek  
With your true intentions  
If you're only playin' games  
I'll just have to say goodbye

Do, do you love me?  
Do, do you love me?  
Do, do you love me?  
Do, do you love me?

I've been fooled before  
Wouldn't like to get my love  
Caught in the slammin' door  
Are you more than hot for me  
Or am I a page in your history book?

I don't mean to make demands  
But the word and the deed go hand in hand  
How about some information, please?

Straight up, now tell me  
Straight up, now tell me  
Straight up, now tell me  
Straight up, now tell me

Straight up, now tell me  
Do you really wanna love me forever  
Or am I caught in a hit and run?

Straight up, now tell me  
Is it gonna be you and me together  
Are you just havin' fun?

Straight up, now tell me  
If you really wanna love me forever
