I could give you everything,
But would that be what you want?
I could be enough for you,
and give you anything I've got.
I could see inside your head,
And make you come undone.
I could show you love again,
If you would only
turn around, hear the sound of my heart beating for
you.
C'MON! C'MON!
I think your so special.
What would it take for me to get to you?
I love the way you walk and the way you talk to me,
you talk to me.
C'MON! C'MON!
'Cause i'm all about it.
Lets take a chance, can't wait any longer.
We could be the envy of the Kings and Queens.
The Kings and Queens.
So, will you come to rescue me?
From this unrelenting need.
Cause i know that you belong in my arms.
So lets fade into the night.
I'll give you what your heart desires.
You know it tears me up inside,
what can I do to make you...
turn around, hear the sound of my heart beating for
you.
C'MON! C'MON!
I think your so special.
What would it take for me to get to you?
I love the way you walk and the way you talk to me,
you talk to me.
C'MON! C'MON!
'Cause i'm all about it.
Lets take a chance, can't wait any longer.
