

Luna Obscura "Symphony Of Sighs"

Visit "[Symphony Of Sighs](#)" on MotoLyrics.com

My wounds are open
Time passing by so fast
But I'm standing here alone
Living forever into my past

Empty tears
Frozen fears
My wounds are made of lies
Can't you hear? the symphony?
The symphony of sighs

Rise I hear a voice to whisper

From the silence you're buried
Burn all your memories
Fly away to heavens

Empty words
Bloody touches
My wounds are made of lies
Can't you hear? the symphony?
The symphony of sighs
