Brickface in a white t-shirt
Stucco wore a skin tight skirt

Go to Broadway and see cheap plays
Brickface decided he was a she and

Stucco sailed the seven seas
Grew a beard and drank some teas
Used cheap women, drank lots of gin
Thought of Brickface now and again
Now and again! Now and again!
Wake up, make up & go!
Wake up, make up & go!
They had a child together
Sail the oceans, what could be better
Babe was born on November 10
They named her Formica Linoleum,
Linoleum...
