Light as a feather, stiff as a board  
Stii as a week in May  
I dare you, I dare you,  
Do it now or you can't play  
Jump the bridge, just for kicks  
Jump the bridge and pray  
I dare you, I dare you, do it & die today  
Light as a feather, stiff as a board!  
Everybody's doin' it,  
Don't think your gonna get away  
2 fingers all around, light the candle  
Raise the dead  
Hair raisin on the back of my neck  
A wrinkled hand on the tarot deck  
I dare you, I dare you,  
Don't worry it'll be okay  
Light as a feather, stiff as a board!

Seance in the summer outside  
We'll make out in the pool  
Seven minutes in heaven, better do it  
Spin the bottle, slip the tongue  
Or you wont be cool !

It's okay that you did'nt invite me

I could'nt make it anyway  
Spin the bottle's just not for me  
Anyhow I gotta go to ballet  
Boys with cans of Bianca spray  
Girl's with floral bouquet  
I don't mind if you dare me  
I wont be there anyway!  
Light as a feather, stiff as a board,  
Stiff as a board!  
Okay now it's your turn don't look  
Stupid don't look prude  
Do it baby, baby do it, do it baby, baby do it  
Don't you wanna be in?  
Oh I know i'm nnot invited to all  
the kissin parties after school  
Me in my high water apnts

Being dissed by the kids who thought they were cool !  
Light as a feather, stiff as a board,  
Stiff as a board
