Can you believe it?  
How fucked up!  
Bruised knee  
Shit outta luck  
Life sucks  
My VCR broke  
I'm all outta coffee  
You're all outta smokes!

Isn't it hard when you're spoiled rotten?  
Got another luxury problem problem!

Got a roof over my head  
I got a bathtub and a bed  
Yet my life is on the brink  
Yeah my life fucking stinks and  
Too many friends too many  
Phone calls, every one wants me  
Is my biggest downfall

Isn't it hard when you're spoiled rotten?  
Got another luxury problem problem!

Got a pimple and a dimple  
I'm sick of my clothes and  
I tipped on a rusty nail and fell right on my noes

Can't look on the bright side it stinks!  
Even though I'm alright  
I like to sit and pity myself because it hurts

Isn't it hard when you're spoiled rotten?  
Got another luxury problem problem!

What do you do when they're all after you?  
What can you say? Your life is shit today!  
You drop the ball and you feel small!  
You idols idolize you, all you friends despise you  
Your life is shit, 'cause you're living it!

Luxury (problem)  
Luxury (problem)

Luxury (problem)  
Luxury (problem)  
Luxury (problem)  
Problem!
